

YOGESH D

Aspiring MERN Stack Developer

OBJECTIVE

Aspiring MERN Stack Developer with 6 months of hands-on internship experience in building scalable applications.

Proficient in React.js, Node.js, and MongoDB, seeking to leverage my technical skills in a collaborative team environment. Committed to delivering innovative solutions and continuously improving my knowledge in modern web technologies.

TECHNICAL SKILLS

- Front-End Development: React.js, HTML, CSS, Tailwind CSS
- Back-End Development: Node.js, Express.js, RESTful APIs
- Database Management: MongoDB (NoSQL Database)
- Tools: Visual Studio Code, Git, Postman, Thunder Client, MongoDB Compass, Figma, Slack

WORK EXPERIENCE

MERN Stack Developer - Intern

WHY Global Services, Chennai (Dec 2023 - Jun 2024)

- Developed and maintained scalable web applications using the MERN stack, resulting in a 25% improvement in application performance.
- Built dynamic front-end interfaces with React.js, enhancing user engagement by 30%.
- Integrated third-party APIs to extend application functionality, streamlining operational processes.
- Identified and resolved application bugs, improving system stability and reliability by 20%.
- Collaborated with cross-functional teams to implement new features, ensuring timely delivery of project goals.

Aspiring MERN Stack Developer

PROJECTS

Clone the Paytm UI

- Developed a static Paytm website to strengthen front-end development fundamentals.
- Gained hands-on experience in HTML and CSS while replicating a real-world application interface.

Home Maintenance Service Website

- Created a scalable web platform for managing home maintenance bookings using the MERN stack.
- Designed an intuitive Admin Panel to efficiently handle customer bookings, improving admin productivity.
- Integrated the Stripe Payment Gateway for secure and seamless transactions.
- Developed a responsive UI/UX design to enhance user accessibility across devices.
- Implemented robust back-end functionality for user authentication, service bookings, and database management.

EDUCATION

- B.E. Agriculture (2023): SNS College of Technology, 93.4%
- HSC (2019): A.V. Higher Secondary School, 78.83%
- SSLC (2017): A.V. Higher Secondary School, 95.8%
